

## Biggie Lou Mendez

November 17, 2014 - September 16, 2025

Biggie Lou Mendez was born November 17, 2014 and crossed over the rainbow bridge on September 16, 2025. Biggie was the light of our eyes. She was not just fur baby, but she was our baby. Biggie was the most beautiful, sweetest, loyal and loving bulldog. When the doorbell rang, she would run to the door and be the first to greet the person. Biggie greeted everyone with a smile and in her world, there was no strangers. She loved everyone she met and everyone loved her. Biggie's favorite thing to do was eat. Anytime she would see food, her mouth would drool with bubbles. She would wait patiently til we would give her a bite of food. When biggie passed, our hearts were broken, because we knew it would not be the same without her. We miss Biggie and love her so much. She left her paw print on our hearts. This is not a goodbye but a see you later.

Love you Baby Girl Lou, always and forever

Tony&Sonia Mendez
