

Heidi Bell

January 13, 2018 - January 10, 2025

Heidi Bell, "Mama Dog", approximately 17 years of age, passed away peacefully in her Mama's arms and entered Heavens Rainbow Bridge on Friday, January 10, 2025.

Heidi was rescued from Texas Panhandle Pet Savers on her "gotcha day" on January 13, 2018. From the moment Heidi was brought back to her forever home, she captured the hearts of all her family. She was truly the purest and sweetest soul that one could ever have the blessing of encountering. Heidi spent countless moments napping on the couch while simultaneously snoring loudly under a blanket. She never missed a meal and was always delighted at any opportunity to indulge in a savory McDonalds cheeseburger. Heidi enjoyed barking at the top of her lungs any time a leaf blew by, or if any unwarranted visitor presented to her home. She also enjoyed digging multiple holes in the backyard and curling up next to her Mama in bed every night to burrow her way under the blanket. Although she had absolutely no regard for personal space, her never-ending love will always be cherished.

She will infinitely be missed for her kind spirit and loving nature. She was the definition of what unconditional love means. Heidi was a true best friend and loyal to the very end. Her paw prints and her spirit are forever engraved into our hearts.

Heidi was preceded in death by her aunt, Lindsay Wolbach in 2019.

Survivors left to cherish her memory are her Mama, Sara Wolbach; her nana, Janet Wolbach, brother, Olaf Bernard; sister, Sophie Grace; her cousin,

Camryn, Madisyn, Mayzee, Charlee, and Mason and her uncle and aunt, Blake and Kristen Wolbach.

A special thank you to the staff at Timbercreek Veterinarian Hospital and to the precious people at All God's Critters Too, for their sweet and loving care of Heidi Bell.

Heidi Bell, I may not have loved you your whole entire life, but I will absolutely miss you for the rest of mine. Until then, I'll meet you in the middle of that rainbow bridge, my sweet and precious girl.

Love, Mom.
