Tipton Clifford Garner 2022-2026

Rest in peace sweet boy, we loved you very much and miss you every day.

Tipton was a Sphynx cat born in 2022. Everyone who met him fell immediately in love with him. He was smart, loving, sweet, funny and extremely affectionate. These attributes along with his beautiful blue eyes made him very popular. He liked giving head butts and face snuggles. He would follow us around the house constantly cat talking. He had a lot to say. His favorite things were eating popcorn while watching TV and cuddling my husband aka his dad. Four short years with him was not nearly enough, but he was such a blessing, we were so lucky to have loved and been loved by such a sweetheart. You may be gone but will forever be in our hearts.

Love, Mom and Dad.
